*Major Champions, Top 50 Players, and Exciting Young Talent  
Headline This Week's Action at TPC Twin Cities*

**BLAINE, MN** – The 3M Open returns to TPC Twin Cities in Blaine, Minnesota this week, July 21–27, with the strongest field in tournament history set to compete at Minnesota's only PGA TOUR stop.

The 156-player field includes 11 of the top 50 players in the Official World Golf Ranking and 23 of the top 50 finishers from the 2024 FedExCup standings. Among the committed players are 50 PGA TOUR winners from the past two seasons—including five already victorious in 2025—and a compelling mix of major champions, former 3M Open winners, and rising stars.

Returning to defend his title is Jhonattan Vegas, joined by fellow past champions Lee Hodges (2023), Tony Finau (2022) and Cameron Champ (2021).

"The strength and depth of this year's field reflect how far the 3M Open has come in just a few short years," said Mike Welch, 3M Open Tournament Director. "We're thrilled to welcome some of the biggest names in golf, exciting young players making their TOUR debuts, and a strong Minnesota presence. It's going to be a memorable week for fans."

**The current field list, including today's Monday Qualifiers, can be found below, along with additional notes and player information.**
