

FOLDS of HONOR

COLLEEN KATZENBERGER

Colleen Katzenberger will never forget the day she met her husband, Army Staff Sergeant Jeremy Katzenberger, at a local golf club. On April 30, 2005, at the age of 19, Colleen married the Army Ranger and love of her life. After she graduated with a Bachelor of Science in nursing, they decided it was time to expand their family. Even though SSG Katzenberger was deployed in October 2010, the Army allowed him to return home for the birth of their son, Everett. Only a few months later in 2011, Colleen and Everett lost Jeremy. In 2015, both Colleen and Everett became Folds of Honor Scholarship Recipients. Colleen graduated with a Master of Education degree from Rockhurst University in Kansas City, Missouri. She currently works as a high school teacher for the Park Hill School District where she has built a real-world learning course for students to explore healthcare careers. Everett continues to excel in many areas academically and personally. He enjoys science, Boy Scouts, and golf. Despite their loss, Colleen and Everett continue to honor the legacy of their hero.
