

ROUND 1 QUICK QUOTES
July 24, 2025

ADAM SVENSSON (-11)

Q. You set the course record. How were you feeling out there today?

ADAM SVENSSON: Yeah, it was great. I had a great range session today. Just really putted amazing, I made a bunch of breakers. It was probably my best putting round I ever had so I'm pretty happy.

Q. How about the putt on 18 (No microphone.)

ADAM SVENSSON: Yeah, I just didn't want to leave it short, it was carrying a little bit of speed and Jace gave me a good line and it just happened to go in.

Q. Can you talk about the black ribbon you're wearing and your connection to Cody?

ADAM SVENSSON: Yeah, I've known Cody for a couple years now. It's very tragic what happened. Just something to know that we're here for him, and yeah.

Q. What made it a great range session?

ADAM SVENSSON: Pardon me?

Q. What made today a great range session?

ADAM SVENSSON: You can just always feel it, hitting it solid. Wherever you're hitting at each flag, it's going at the flag, you just kind of feel it in your body, in the club.

Q. Had it been a while since you had that feeling?

ADAM SVENSSON: It has. It's been a rough year and -- but it's golf, it's very difficult. Like I said, I'm just happy that I played well today and hopefully I can keep it up.

Q. Make any significant changes leading into this week?

ADAM SVENSSON: Yeah, I made changes for the last couple years. I struggled on Sundays so I tried to not change my swing but just figure out something that I can improve over the weekend. I feel like I start off good and then kind of dwindle a little bit. Just been working on that.

Q. (No microphone.)

ADAM SVENSSON: Pardon me?

Q. (No microphone.)

ADAM SVENSSON: The greens? Yeah, they were rolling really good. Yeah, I mean, just one of those days where you make everything, I don't know.

Q. (No microphone.)

ADAM SVENSSON: It's hard to tell with putting because you're not really 100 percent focused on the practice green, but it felt good. I mean, it didn't feel like I was going to putt that well today but it just happens.

Q. Did you see the line on 18 there?

ADAM SVENSSON: Yeah, Jace gave me a good line or a spot about 20 feet away and he's like just hit it over that, and I did and it went in.

Q. Is that a career low, 60?

ADAM SVENSSON: I'm not sure. I think I shot 60 on the PGA TOUR. Maybe 61, I'm not too sure.
