

ROUND 2 QUICK QUOTES
July 25, 2025

SAM BURNS (-7)

Q. Sam, 7 under for the second round, how would you assess your day?

SAM BURNS: Yeah, I think overall I played pretty nice. Was able to hole a few putts early in the round which kind of got me some momentum. Didn't make a mess of the par 5s like I did yesterday, so that was helpful. Yeah, overall I'd say pretty solid.

Q. Inside the Top 30 in the busy stretch, why did you want to play this week?

SAM BURNS: Yeah, I like the golf course. I think it kind of fits in the schedule. I don't really want two weeks off before the Playoffs so it kind of just makes sense from a scheduling standpoint.

And Tracy West, who runs this event, does an incredible job, so I like to be able to support her and 3M. It's a really well run tournament and they're a great sponsor, we're fortunate to have them. So it's nice to be able to come here, have some great support and enjoy a great golf course.

Q. And seven stroke difference from yesterday to today, did anything feel different?

SAM BURNS: Yeah, I hit it a little better and putted it better. I didn't really play bad yesterday, I just couldn't get the ball close enough. I hit it to 20 feet a lot and didn't make any of them, that was kind of really the difference.
