

**ROUND 2 QUICK QUOTES**  
**July 25, 2025**

**MICHAEL LA SASSO (-5)**

---

**Q. First made cut on the PGA TOUR, how does it feel to be playing on the weekend?**

**MICHAEL LA SASSO:** It's a pretty cool experience. This place has been great so far. The pro-am, we had a good time, had a lot of good laughs with the buddies.

I think Minnesota's great, the golf course is unbelievable. I'm pretty excited to go make my first weekend, hopefully first of many, so I can't be more happy.

**Q. How was it playing, especially on this back nine? Any nerves coming down the stretch kind of knowing where the cutline was?**

**MICHAEL LA SASSO:** Not many. I had a very good group so it was very nice to talk to all the guys I was playing with, made it really comfortable, definitely a little bit easier. Just kind of was taking in my process and trying to do everything I can just to hit a good golf shot.

**Q. A few starts throughout the summer. Were there any big takeaways or learning curves throughout those four starts?**

**MICHAEL LA SASSO:** Yeah, it's a little different than amateur golf, but it's nice having a crowd around you, being able to feed off them at certain points is very cool to unique to kind of be a part of. The fans out here have been unbelievable this week, very nice. I think it's been great. You know, I know I go back to amateur golf here soon, but so far my summer's been a lot of fun.

**Q. After two rounds here, anything you're looking to do tomorrow on the weekend?**

**MICHAEL LA SASSO:** Go have fun, try to soak it all in. It's first weekend, right, so try to be able to embrace it and just have a smile, a good time, try to have some laughs with my caddie and see what I can do.
