

ROUND 2 QUICK QUOTES
July 25, 2025

THORBJØRN OLESEN (-14)

Q. Thor, pretty solid day. Last I checked you were leading the field in Strokes Gained Approach the Green for the round today. Yesterday you said you were really happy with how you drove it, and today it seemed like the irons. How would you kind of summarize it?

THORBJØRN OLESEN: Yeah, I think both days my iron play has been really, really good. I hit a lot of shots really close to the pin and gave myself like a lot of good chances. Yeah, today there was like two or three bad drives that costed me, but I still felt pretty good over the ball. I think I hit some good tee shots out there also.

Q. Finishing up with the birdie on 9 there after kind of driving it into the rough, was that kind of -- did that really summarize the whole day with how well you're hitting it?

THORBJØRN OLESEN: Yeah, I think so. I obviously hit it in the right rough there and got a good lie, and it's a very tricky second shot, came out perfectly. It does sometimes when you have that momentum going. So yeah, that was definitely a bonus.

Q. And how clutch was it after the double there and you're sitting there 1 over par, how clutch was it to get those two birdies back to back to really keep the round going?

THORBJØRN OLESEN: Yeah, there was two great shots there on the next, I hit it to I think 3 or 4 feet, and also on 17 I hit it really close. Yeah, I mean, my iron play has been great. I didn't -- I felt pretty comfortable even though I made a double still, so that's a good thing.

Q. Do you think missing the cut at The Open helped you having those extra two days to recharge?

THORBJØRN OLESEN: No, I don't think so. The bonus was my family was there so I got to spend a little bit of time with my kids and see some of the island, which was pretty nice. It's a beautiful place so it's nice to get some things.

Q. The last two weeks of the season, what are your goals this week and next?

THORBJØRN OLESEN: Well, I take every week as it comes. As I said yesterday, every week is an opportunity to try and bounce back and do something special. You know, I put myself in a bit of a tough position but there's still quite a lot of events left.
