

ROUND 4 QUICK QUOTES
July 27, 2025

PIERCESON COODY (-20)

Q. Final round push, looks like for top-10 looking for next week, how are you feeling after this week?

PIERCESON COODY: Yeah, I did a lot well. Top-10 to get into Greensboro was my goal so it's a really nice goal to achieve. It's one of my better events on Tour, so really happy with the week. Wish a few things would have gone my way the second and third round, but 20 under's a really good score.

Q. What area of your game are you feeling most confident in after this week?

PIERCESON COODY: Yeah, I've just been driving it well. My putting's been really nice. Didn't quite make as many putts as I wanted to, but the ball's coming off really nice. When you're driving and putting well, just kind of got to keep the ball on the greens and give yourself a bunch of looks.

Q. Been playing Korn Ferry Tour, back in contention here on Tour. What was it like to be in the mix again on the leaderboard?

PIERCESON COODY: It's fun. The stakes are higher but it doesn't really feel all that different. Maybe a couple years ago when I first started playing, I was playing some events like Bay Hill and stuff like that on sponsor exemptions, those were nerve wracking, but playing golf feels pretty normal now.
