

ROUND 4 QUICK QUOTES
July 27, 2025

JAKE KNAPP (-20)

Q. Fought throughout the day, kind of a tough finish, but how are you feeling?

JAKE KNAPP: Yeah, obviously that second shot on 18 sucks, I thought it was pretty perfect, to be honest. Other than that I feel like I hit it really solid. Even got just kind of a couple unfortunate bounces that either ended up just off the fairway in the rough or maybe just around the greens in the rough and did a good job of kind of grinding out, and gave myself some good looks on 15 and 16, wasn't able to make them, but yeah, overall just a solid week.

Q. Anything you're taking from this week into next week, then the Playoffs?

JAKE KNAPP: Yeah, just trying to do a lot of the same I've been doing. I feel like I've been driving it well, and I feel like overall I've been doing everything really well. I feel like wedges have come a long way, this week didn't putt super great, but all in all I feel like I've been hitting it and just playing solid. So I think patience has been the main thing for me and I did a good job of that this week.

Q. And you're projected inside the top-50 now, has that been a goal of yours or is that something you've been thinking about?

JAKE KNAPP: Yeah, of course that's the goal. At the end of the year it makes such a big difference. Last year I was bummed I wasn't able to cap off that year with top-50, but for the most part I try not to worry about that stuff. I want to win and I want to put myself in contention going into the back nine. I feel like if I can just do that as many times as I can during the year then that will put me in a good spot.
