

**ROUND 1 QUICK QUOTES**  
**July 23, 2026**

**JACKSON KOIVUN (-7)**

---

**Q. Jackson, what did you learn from today that you can use the rest of the week, the rest of the weekend?**

**JACKSON KOIVUN:** Yeah, the golf course is definitely gettable as the scores show. Just playing smart, playing for a score. Just executing when the time is right and getting aggressive when you can. Just felt like I did a good job of taking advantage of that today.

**Q. Speaking of aggressiveness, this golf course can reward that. When did you know when to attack and when to stay patient today?**

**JACKSON KOIVUN:** I felt like I did a really good job today if when I was any bit uncomfortable with number or a shot of just picking the safe line and giving myself a look at birdie. Yeah, there's a couple holes that you need to be smart on and some holes you can really get aggressive on.

**Q. On 18 looked like you were pretty frustrated missing that putt. Was it the read or you hit it too hard?**

**JACKSON KOIVUN:** I thought I hit a perfect putt, it just kind of wobbled about two feet and kind of dove on me, which I didn't see. But been hitting good putts all day and was really hoping to make that one to kind of end with a birdie. But still happy with the putt I hit and just happy with the way I played.

**Q. Jackson, you being one of the younger players on the Tour, what has been the biggest adjustment for you from college to the pro tour?**

**JACKSON KOIVUN:** Kind of just traveling, traveling by yourself, getting used to week in and week out. College is a lot of golf but it's not every week. You might be practicing and playing at home every week, but you're not in a different state every week. Just getting used to that and just enjoying it.

**Q. If there's one or two things that you learned from this course today, what was it?**

**JACKSON KOIVUN:** Definitely some birdies out there. Like I said earlier, just got to take your medicine on some holes and take advantage on the others.
