

ROUND 3 QUICK QUOTES
July 25, 2026

MICHAEL BRENNAN (-16)

Q. How does a 63 feel on a Saturday in the heat?

MICHAEL BRENNAN: Good, it feels great. Yeah, played some really solid golf and it feels good. Just hope to keep it going tomorrow.

Q. A bogey-free round today is absolutely spectacular. How important is course management to you to have such an accomplishment like that?

MICHAEL BRENNAN: Yeah, definitely is important. The rough out here is thick, so definitely some holes that you want to put the ball in the right spot off the tee. Because I don't know if you saw on 18, par 5, and I could really only advance it comfortably about 100 yards on my second, so trying to avoid that as much as possible tomorrow. Just try to stay the course I think.

Q. Michael, where's the long sleeve polo come from? (Inaudible) unique look, I think you rock it well (inaudible.) Where does that come from?

MICHAEL BRENNAN: Thanks. I don't know. Dunning just sent me a few earlier in the year and at first I was a little unsure, but they're pretty thin, pretty cool. The white, even when it's this hot, isn't that bad. Kind of like the look.

Q. You know you needed a big week this week because of the FedEx standings. How does being in contention for a tournament like this set you up for your future career on the Tour?

MICHAEL BRENNAN: Yeah, it's awesome to have more experience like this. Trying to learn as much as I can while I'm out here. It was great, I played with Sneds and Kuchar Thursday, Friday this week, two guys that have been extremely successful, been doing it a long time. So trying to pick their brains a little bit, ask them a few questions about what makes them tick and really just learn as much as I can.

Q. What did you learn from those two individuals?

MICHAEL BRENNAN: They can chip and putt it pretty dang well. I don't know what the numbers were exactly, but I felt like Kuchar got up and down nine times on Friday is what it felt like. Just trying to emulate that a little bit.
