

ROUND 4 QUICK QUOTES
July 26, 2026

JACKSON KOIVUN (-25)

Q. Jackson, congratulations. It took just three professional starts for you to accomplish a lifelong dream of becoming a PGA TOUR champion. On paper, this one looked stress free. What did it actually take to get it done?

JACKSON KOIVUN: You know, I played a great round of golf today. Definitely had some nerves coming down on 18. All throughout the crowd I kept hearing, "Scottie's coming, Scottie's coming." I just tried to tone that out and keep playing the golf I knew I could. Was able to find some good putts coming down the stretch.

Q. Anyone who knows you talks about your mindset when they're asked about you first. Can you show us your glove, what you have written on it and how that speaks to your mindset and how you plan to attack out here on the PGA TOUR?

JACKSON KOIVUN: I write, "confidence" and "trust," and then "dominate." Dominate's a word I came up with in college because I just want to go see how good I can play. Kind of came up with it with my short game coach, Josh Gregory, and it helped me a lot with my mindset in college golf this year and I just kept doing it.

Q. We know your mom's watching at home, dad is here. I think it's important to note that you grew up learning this game not in a golf family, on a public nine-hole course. It can happen for anyone if you just fall in love with the game enough, you certainly did. What has this game meant for you and your family and the opportunities it's given you?

JACKSON KOIVUN: I just love this game. I love golf, it's everything I do. I have a tough time getting away from it. Like I said, it's been love at first sight. Just want to say thanks to my parents for helping me get into this and supporting me throughout the entire journey.

Q. Is it fair to say this is just the beginning?

JACKSON KOIVUN: Yes, ma'am.
