

Family Fan Journey

Attention Parents!

If you're looking for the perfect activities for you and your family to maximize your 3M Open experience, you've come to the right place!

1

Primrose Playground bonded by 3M Science

Located in Fan Village

Fun for kids of all ages, the Primrose Playground built using 3M Bonding Solutions is a great place to test your strength, as well as the strength of 3M adhesives. Across 7 unique activations, fans will be able to climb, pull, and hang, knowing 3M is supporting them confidently. These same bonding solutions are found in construction, electronics, and aerospace.

This activation showcases 3M Bonding Solutions, specifically 3M™ Scotch-Weld™ Bonding Solutions and 3M™ VHB™ Tapes. Fans can see this same bonding science in the 3M Swings, found in the Fan Village and Northwoods.

2

Autograph Zones

Located at Practice Facility and by Media

Enhance your 3M Open experience with exclusive access to the Takis Autograph Zone, conveniently located near the main entrance. Meet your favorite golf stars up close as they sign autographs, creating lasting memories. Don't forget to bring your young fans to the Little Bites Kids Autograph Zone for a chance to meet their idols. Join us for an unforgettable event filled with excitement and cherished moments!

3

M Health Fairview Family Care Center

Located in Fan Village

Fans in need of private feeding, changing, or self-care areas will benefit from a comfortable, climate-controlled space inside the M Health Fairview Family Care Center.

4

Sustainability Zone

Located in Fan Village

Join us in the Sustainability Zone, where families can discover eco-friendly practices and inspire the next generation of environmental stewards at the 3M Open!

5

Xcel Energy Backyard

Located in the Northwoods

Step into the Xcel Energy Backyard and discover a world of interactive displays, engaging games, and sustainable energy initiatives at the 3M Open. Explore the cutting-edge technologies, learn about sustainable energy practices, and embrace the future of a greener world.
